# “Top Two” is New for California

## What is a Top Two Primary?

A Top Two Primary lets you vote for any candidate in state or federal races - except president, even if you are not in the same political party. The top two candidates – the ones who get the most votes in the primary – will be on the General Election ballot in November.

## Is Top Two different than the last primary election?

Yes. Top Two is new. It became law in 2010 when voters passed Prop 14. Before Top Two, each party could have one candidate on the General Election ballot for all party races.

Now with Top Two, only two candidates get on the General Election ballot – the ones who got the most votes in the primary – no matter what party they are from.

## What does party preference mean?

Party preference refers to the political party you – or the candidate – is registered with. It's listed under each candidate's name on the ballot. The word “None” appears for candidates who are not registered with a party. For example:

**JOHN SMITH**

Party Preference: Dem

**JANE DOE**

Party Preference: Rep

**CHRIS JONES**

Party Preference: None

## Do all offices follow the Top Two rules?

No. Top Two applies to these voter-nominated offices:

- ★ U.S. Senator
- ★ U.S. Congress
- ★ State Senator
- ★ State Assembly
- ★ Statewide constitutional offices (such as Governor, which will be on the 2014 ballot).

Top Two does not apply to the office of President.

## Can the Top Two candidates be from the same party?

Yes. The Top Two candidates might be from the same party, different parties, or no party.

## If only 1 or 2 candidates run for an office, will they still run in the primaries?

Yes.

## I am registered with a political party. What ballot will I receive in June?

You will receive a ballot for your party if you are registered with one of these parties:

- |                        |               |                     |
|------------------------|---------------|---------------------|
| ★ American Independent | ★ Green       | ★ Peace and Freedom |
| ★ Democratic           | ★ Libertarian | ★ Republican        |

Your ballot will have:

- ★ Your party's candidates for President, and
- ★ All candidates from all parties for voter-nominated and nonpartisan offices, and
- ★ State or local measures.

Exception: The Americans Elect Party is not participating in this Primary. If you belong to the Americans Elect Party, you will receive a nonpartisan ballot, which will not have candidates for President.

### What if I am registered with one party but I want to vote another party's ballot?

You are not allowed to vote a different party's ballot. If you insist on doing this, you will be allowed to vote a provisional ballot. But your ballot will not be counted unless you get a court order.

### What ballot do I vote if I am not registered with any party?

If you did not select any party when you registered or if you registered *Decline to State, Independent, or Nonpartisan*, you are a *No Party Preference Voter (NPP)*. On the Nonpartisan ballots, NPP voters will not vote for President in this Primary election.

If you want to vote for President in the 2012 primary election, you may vote a:

- ★ Democratic Party ballot or
- ★ American Independent Party ballot.

*Important!* If you want to vote a ballot for one of these parties, you must ask for it or re-register to vote by the 15 day close of registration.

### Can I still write in a candidate on my ballot?

Yes. You can write in a candidate for voter-nominated offices at the primary election, but not for the general election. For other contests, you are allowed to write in a candidate at both the primary and general elections. Only votes from qualified write-in candidates will be counted.

### Can I find out what party I am registered with?

Yes. There are three easy ways to find out which party – if any – you registered with:

- ★ Look on the back cover of your *Sample Ballot and Voter's Information Pamphlet*. Your party is printed next to your name and address. If you did not register with a party, it says NPP.
- ★ Call our office at 707-784-6675, or
- ★ Visit our website at: [www.solanocounty.com/elections](http://www.solanocounty.com/elections)

### Can I change my political party?

Yes. Fill out a new Voter Registration card and return it at least 15 days before the election. The deadline to register for the June 2012 election is May 21, 2012.

### Do I need to register again for each election?

No. Fill out a new Voter Registration card only if you have:

- ★ Moved, or
- ★ Changed your name

### Where can I register to vote?

You can get a Voter Registration card at:

- |  |                                |
